Disclaimer

The scenarios set forth in this document are hypothetical examples that are intended to explain the components and operation of the Blastoff Commission Plan. These hypothetical examples are not representative of the income, if any, that a Blastoff Member can or will earn through his or her participation in the Blastoff opportunity. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation or guarantee of earnings, whether made by Blastoff or a Member, would be misleading. Success with Blastoff results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities. Because Blastoff is so young, it has not yet had the ability to determine either: (1) the average earnings for all its Members; or (2) the percent of Blastoff Members who achieved or exceeded the hypothetical earnings set forth in this document. As soon as this information is available, we will provide it at the Blastoff website. Please visit the following web page periodically for updated information – www.blastoffcommunications.com/IDS.
